with respect to any violation(s) or alleged violations(a) of the Governing Documents. The District may collect, and shall have a statutory perpetual lien pursuant to § 32-1-1001(1)(j)(I), C.R.S. against any Unit to secure: (1) payment for reimbursement by the violating Owner for any remedial work performed by the District to remove, correct or otherwise remedy the violation, (2) payment for expenses incurred in obtaining injunctive relief, including costs and attorneys' fees, (3) payment of any fines levied by the District against such Unit, plus the following amounts, to the extent not inconsistent with applicable laws, (4) interest on such amount at a rate equal to eighteen percent (18%), and (5) all costs and expenses of collecting the unpaid amount, including, without limitation, reasonable attorneys' fees. No further Recordation of any claim of lien is required. However, the Board of Directors may prepare and record (or cause to be prepared and recorded) in the county in which the applicable Unit is located, a written notice setting forth the amount of the unpaid indebtedness, the name of the Owner(s) of the Unit, and a description of the Unit. If a lien is filed, the reasonable costs and expenses thereof shall be added to the due amount for the Unit against which it is filed and collected as part and parcel thereof. The District's lien may be foreclosed as provided by law. The lien of the District for any fees, fines rates, tolls, penalties, or charges for services, programs, or facilities furnished by the District imposed pursuant to Section 32-1-1001, C.R.S. is not subject to the provision of any homestead exemption as allowed under state or federal law. The acceptance of a deed to a Unit subject to this Declaration shall constitute a waiver of the homestead exemption as against said lien.

Section 3.4. Certificate of Status of Fines and Penalties.

The District shall furnish to an Owner, or such Owner's designee, or to a Security Interest Holder or its designee, upon written request delivered personally or by certified mail, first class postage prepaid, to the District's registered agent, a written statement setting forth the amount of unpaid fines and penalties, if any, currently levied against such Owner's Unit. The statement shall be furnished within a reasonable time after receipt of the request and is binding on the District, the Board of Directors and every Owner. The District or its agents shall have the right to charge a reasonable fee for the issuance of such certificates.

Section 3.5. Other Charges.

To the extent permitted by law, the District may levy and assess charges, costs and fees, for matters such as, but not limited to, the following, in such amounts(s) as the Board of Directors may determine, including: reimbursement of charges that are made to the District by its managing agent or other Person; copying of District or other documents; returned checks; telefaxes; long distance telephone calls; transfer charges or fees upon transfer of ownership of a Unit; notices and demand letters; and other charges incurred by the District. In the event such amenities, if any, are owned, operated (contracted for operation) or leased by the District, the District may, in accordance with applicable law, charge fees for access and use of such amenities (which fees may vary for Owners within the Community and the general public).

ARTICLE 4. ARCHITECTURAL REVIEW

Section 4.1. Composition of the Community Council; Authority of Representative.

4.1.1 The Community Council shall consist of three (3) or more natural persons. The Board of Directors of the District has the authority to appoint the Community Council. The power to “**appoint**” the Community Council shall include the power to: constitute the membership of the Community Council; appoint member(s) to the Community Council on the occurrence of any vacancy therein, for whatever reason; and remove any member(s) of the Community Council, with or without cause, and appoint the successor(s) thereof. Each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set by the Board.

4.1.2 The Community Council, with the approval of the Board of Directors of the District, shall have the right and authority to: (a) delegate, in writing, some or all of the architectural authority to one or more other Persons, who shall be the Community Council’s representative to act on its behalf. If the Community Council delegates any authority, then the actions of such representative shall be the actions of the Community Council, subject to the right of appeal as provided below. However, if such a representative is appointed, the Community Council shall have the power to withdraw from such representative any of such representative’s authority, and shall also have the power to remove or replace such representative.

Section 4.2. Required Review and Approval; Reimbursement for Expenses.

4.2.1 Except as provided in Sections 4.10 and 4.13 of this Declaration, no Improvements shall be constructed, erected, placed, planted, applied or installed upon any Unit, unless complete plans and specifications therefor (said plans and specifications to show exterior design, height, materials, color, and location of the Improvements, plotted horizontally and vertically, location and size of driveways, location, size, and type of landscaping, fencing, walls, retaining walls, windbreaks and grading plan, as well as such other materials and information as may be required by the Community Council), shall have been first submitted to and approved in writing by the Community Council. Each Owner acknowledges that there may be certain landscaping design requirements imposed by the Board (or other governmental authority) that each Owner may be required to observe at such Owner’s sole cost.

4.2.2 The Community Council shall endeavor to exercise its judgment to the end that all Improvements reasonably conform to and harmonize with the existing surroundings, residences, landscaping and structures.

4.2.3 The Guidelines may provide for the payment of a fee to accompany each request for approval of any proposed Improvement submitted to the Community Council. Any such fee shall be uniform for similar types of proposed Improvements or shall be determined in any other reasonable manner. Additionally in its review of such plans, specifications and other materials and information, the Community Council may require that the applicant(s) reimburse the Community Council for the actual expenses incurred, or reasonably anticipated to be incurred, by the Community Council, in the review and/or approval process.

4.2.4 In addition to the required approvals by the Community Council as provided in this Article, the construction, erection, addition, deletion, change or installation of any Improvements shall also require the applicant to obtain the approval of all governmental entities with jurisdiction thereover, and issuance of all required permits, licenses and approvals by all such entities. Without limiting the generality of the preceding sentence, issuance of building permit(s) by the applicable governmental authority, if required, shall be a precondition to commencement of construction of, alteration of, addition to or change in, any Improvement. The Community Council shall not review or approve any proposed Improvements for compliance with governmental requirements. The Community Council makes no representations or warranties with respect to plans reviewed and shall have no liability with respect to review and approval of any plan or specifications.

4.2.5 In addition to the authority that is given to the Community Council in this Declaration, as well as such authority as may be implied from any provision(s) of this Declaration, the Community Council shall have all authority and to receive and review complaints from one or more Owners, any Declarant, one or more Builders, or any other Person(s), alleging that a violation of any of the Governing Documents has occurred or is occurring.

Section 4.3. Procedures.

The Community Council shall decide each request for approval within forty-five (45) days after the complete submission of the application or request and all plans, specifications and other materials and information which the Community Council may require in conjunction with such application or request. If the Community Council fails to decide any application or request within forty-five (45) days after the complete submission of the plans, specifications, materials and other information with respect thereto, then such application or request for approval shall be deemed to have been denied by the Community Council.

Section 4.4. Vote and Appeal.

The affirmative vote of a majority vote of the Community Council is required to approve a request for approval pursuant to this Article (which may be with conditions and/or requirements), unless the Community Council has appointed a representative or committee to act for it, in which case the decision of such representative or committee shall control. In the event a representative or committee acting on behalf of the Community Council denies a request for approval, then any Owner shall have the right to an appeal of such decision to the full Community Council, upon a written request therefor submitted to the Community Council within ten (10) days after such decision by the Community Council's representative. The decision of the Community Council shall be final. No additional or further appeals are permitted, nor will any be recognized.

Section 4.5. Prosecution of Work After Approval.

After approval of any proposed Improvement by the Community Council, the proposed Improvement shall be accomplished as promptly and diligently as possible and in complete conformity with the terms and conditions of the approval. Failure to complete the proposed Improvement within one (1) year after the date of approval of the application, or failure to complete the Improvement in complete conformance with terms and conditions of the approval, shall constitute noncompliance with the requirements for approval issued by the Community Council and

a violation of this Article; provided, however, that the Community Council may grant extension(s) of time for completion of any Improvement(s). Upon the completion of an Improvement, the applicant for approval of the same shall give a written "Notice of Completion" to the Community Council. Until the date of receipt of such Notice of Completion, the Community Council shall not be deemed to have notice of completion of any Improvement on which approval (which may be with conditions and/or requirements) has been sought and granted as provided in this Article.

Section 4.6. Inspection of Work.

The District, the Board of Directors and the Community Council, or their duly authorized representatives or committees, shall have the right to inspect any Improvement at any time, including prior to, during, or after completion during reasonable hours after reasonable notice to the Owner(s) or occupant(s) of any affected Unit; except that no such notice shall be required in connection with any exterior, non-intrusive inspection. Such inspections may be made in order to determine whether or not the proposed Improvement is being completed, or has been completed, in compliance with the approval granted pursuant to this Article.

Section 4.7. Notice of Non-Compliance.

If, as a result of inspections or otherwise, the Community Council determines that any Improvement has been done without obtaining the required approval (which may be with conditions and/or requirements), or was not done in substantial compliance with the approval that was granted, or has not been completed within one (1) year after the date of approval, subject to any extensions of time granted pursuant to Section 4.5 hereof, then the District shall notify the applicant in writing of the non-compliance. Such notice of non-compliance shall be given not later than sixty (60) days after the Community Council receives a Notice of Completion from the applicant. The notice of non-compliance shall specify the particulars of the non-compliance.

Section 4.8. Correction of Non-Compliance.

If the Community Council determines that a non-compliance exists, the Owner responsible for such non-compliance shall remedy or remove the same within not more than forty-five (45) days from the date of receipt of the notice of non-compliance. If such Owner does not comply with the ruling within such period, the District may, at its option, record a notice of non-compliance against the Unit on which the non-compliance exists, may impose fines, penalties and interest, may remove the non-complying Improvement, or may otherwise remedy the non-compliance, and the Owner responsible for such non-compliance shall reimburse the District, upon demand, for all costs and expenses, as well as anticipated costs and expenses, with respect thereto. Such fees, costs and expenses shall be the personal obligation of the Owner and shall be part of the District's lien as described in Section 3.3 and shall be collectible by the District in the same manner as other fees authorized to be charged and collected by the District pursuant to Colorado law.

Section 4.9. Standards/Guidelines.

Except as provided in the last sentence of this Section, the Board of Directors of the District, or the Community Council if delegated such authority by the District, has the authority to enact, issue, promulgate, modify, amend, repeal, re-enact, and enforce architectural standards, guidelines, rules and regulations (collectively, "Guidelines") to interpret and implement the design review provisions of this Declaration. Such provisions of the Guidelines may include: clarifying the types

of designs and materials that may be considered in design approval; requirements for submissions in order to obtain review by the Community Council, procedural requirements, and acceptable Improvement(s) that may be installed without the prior approval of the Community Council; architectural standards, design guidelines, requirements, and/or other provisions pertaining to architectural design and approvals; provisions that are different for different types, sizes or prices of Units, construction of residences (including without limitation garages, sprinkler systems, porches and overhangs); and permitting the District, with respect to any violations or alleged violations of any of the Governing Documents, to send demand letters and notices, levy and collect fines and interest, and negotiate, settle and take any other action, including without limitation legal action. In addition, such provisions may provide for blanket approvals, interpretations or restrictions on Improvements. By way of example, and not by way of limitation, such provisions may state that a certain type of screen door will be acceptable and will not require approval. All Improvements proposed to be constructed, and any Guidelines that are adopted, shall be done and used in accordance with this Declaration.

Section 4.10. Variance.

The Community Council may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article or Guidelines, in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments shall be granted only in case the granting thereof shall not be materially detrimental or injurious to the other property or Improvements in the Community and shall not militate against the general intent and purpose hereof. However, any variance that may be granted under this Section is only a variance from the requirements of the applicable Governing Document for the individual applicant, and is not a variance from the requirements of any applicable governmental or quasi-governmental agency or entity. No granting of a variance or adjustment to any one applicant/Owner shall constitute a variance or adjustment, or the right to a variance or adjustment, to any or all other applicants/Owners.

Section 4.11. Waivers; No Precedent.

The approval or consent of the Community Council or any representative thereof, to any application for approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent by the Community Council, or any representative thereof, as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required. Nor shall any such approval or consent be deemed to constitute a precedent as to any other matter.

Section 4.12. Liability.

Neither the Community Council, nor any members, employees, agents or representative or committee thereof, nor any Declarant, Builder or District, nor any owners, officers, employees or agents thereof (the “Released Parties”), shall be liable in equity or damages to any Person submitting requests for approval or to any Person by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove. In reviewing any matter, Released Parties shall not be responsible for the safety, whether structural or otherwise, of any item(s) submitted for review, nor the conformance with applicable building codes or other governmental laws or regulations, and any approval of an Improvement by the Community Council, District, or a Declarant, shall not be

deemed an approval of any such matters, will not be deemed to represent that the Improvement conforms to applicable law or complies with any other standards or regulations, and will not constitute a warranty by the Community Council to any applicant of the adequacy of design, workmanship or quality of such work or materials for any applicants' intended use. The Community Council will not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to property with respect to architectural requests and shall not be liable for any disputes relating to the same. No Person shall be a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval or disapproval granted by, the Community Council, District or a Declarant. Each Owner (i) waives and releases the Released Parties from all claims related to approval or disapproval of any Improvements and (ii) waives and releases all claims against the Released Parties. The foregoing release and waiver are made by each Owner to the fullest extent permitted by the law and for and on behalf of itself, its assigns, executors, heirs, occupants, personal representatives, representatives, and successors. The Community Council members, acting in that capacity, shall not be liable for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The Community Council members, acting in that capacity, have no personal liability with respect to any contract or other commitment made or action taken on behalf of the Community Council.

Section 4.13. Declarant's and District's Exemption; Each Builder's Exemption.

4.13.1 Notwithstanding anything to the contrary in this Declaration, Declarant is exempt from all provisions of this Article and all other provisions of the Governing Documents and any other matters that require Community Council review and/or approval, except the requirements to obtain approval of the governmental entities (other than the District or any other governmental entity that enforces any of the Governing Documents) with jurisdiction thereover as provided in Section 4.2.4 of this Declaration.

4.13.2 Provided that each Builder's plans and specifications for construction of Improvements are in material accordance with Governing Documents and have been approved in writing by Declarant, each Builder is exempt from the provisions of this Article and all other provisions of the Governing Documents that require Community Council review and/or approval, except for the requirements to obtain approval from the governmental entities (other than the District or any other governmental entity that enforces any of the Governing Documents) with jurisdiction thereover as provided in Section 4.2.4 of this Declaration.

ARTICLE 5. INSURANCE

Section 5.1. Insurance.

The District may maintain insurance in connection with its functions. Such insurance to be maintained by the District may include property insurance, commercial general liability insurance, fidelity coverage and personal liability insurance to protect directors and officers of the District from personal liability in relation to their duties and responsibilities in acting as directors and/or officers on behalf of the District. In addition, the District may maintain insurance against such other risks as the Board of Directors may determine. Nothing herein shall be construed or interpreted as a waiver of the District's governmental immunity as provided by law.

Section 5.2. Insurance to be Maintained by Owners.

Insurance coverage on each Owner's Unit, and the Improvements thereon, as well as on personal property belonging to an Owner to provide for replacement cost coverage, and public liability insurance coverage on each Unit, is the sole responsibility of the Owner of such Unit.

ARTICLE 6. EASEMENTS

Section 6.1. Access Easement.

Each Owner hereby grants to the District, the Board of Directors, the Community Council and to their agents, employees and contractors, a right and easement on, over, under, across and through such Owner's Unit for and incidental to inspection and/or enforcement, incidental to any term or provision of any of the Governing Documents. The rights and easements granted in this Section may be exercised only during reasonable hours after reasonable notice to the Owner(s) or occupant(s) of any affected Unit; except that no such notice shall be required in connection with any exterior, non-intrusive entry. The interior of any residence shall not be subject to the easements provided for in this Section.

Section 6.2. Drainage Easement.

Declarant hereby reserves, to itself and to the District, easements for drainage and drainage facilities across the twenty-five (25) rear, twenty-five (25) front, and twenty-five (25) side feet of each Lot; provided, however, that if a residence is located upon any of the areas described in this sentence, then such easement shall be reduced in width to the width of the distance from the nearest lot line of such Lot to the exterior wall of the residence on such Lot that is nearest to such lot line. Except for residences as provided in the preceding sentence, no Improvements shall be placed or permitted to remain on any Lot nor shall any change in grading be permitted to exist which may change the direction of flow or obstruct or retard the flow of water or other moisture through channels or swales within such rear, front and side yard drainage easements. Declarant reserves to itself and to the District the right to enter in and upon each such rear, front and side yard drainage easements to construct, repair, replace or change drainage pipes, structures or drainage ways, or to perform such grading, drainage or corrective work as a Declarant or the District may deem necessary or desirable; provided, however, that such right and authority in the Declarants shall cease at such time as the Special Declarant Rights automatically terminate as provided in Section 1.20 of this Declaration.

Section 6.3. Easement for Unannexed Property.

Declarant and the District hereby reserves, for the use and benefit of any property owned by Declarant and located proximately to the Community which may be annexed pursuant to Article 9 ("Annexable Area"), a non-exclusive, perpetual easement for pedestrian and vehicular access, ingress and egress, on, over and across the roads, driveways, streets, alleys, sidewalks, access ways and similar areas, now or hereafter constructed, erected, installed or located in or on the Community, for utilities and the construction, location, erection, installation, storage, maintenance, repair, renovation, replacement, reading, and use of any utilities Improvements that may now or hereafter serve the Annexable Area or any portion thereof (herein collectively the "Annexable Area Easement"). By virtue of this Annexable Area Easement, Declarant generally intends to provide for pedestrian and vehicular access and for utilities services to those portion(s) of the

Annexable Area which have not been included in the Community. Hence, the Annexable Area Easement shall be in effect for each portion of the Annexable Area, from and after Recording of this Declaration, but shall cease to be effective as to each portion of the Annexable Area at such time as the following have occurred with respect to such portion of the Annexable Area: annexation of such portion of the Annexable Area to this Declaration; and expiration of a Declarant's right to withdraw such portion of the Annexable Area from this Declaration.

ARTICLE 7. RESTRICTIONS

Section 7.1. Restrictions Imposed.

Notwithstanding the foregoing, however, Owners may conduct business activities within their homes provided that all of the following conditions are satisfied, as determined by the Board:

7.3.1 The business conducted is clearly secondary to the residential use of the dwelling unit and is conducted entirely within the dwelling unit;

7.3.2 The existence or operation of the business is not detectable from outside of the dwelling unit by sight, sound, smell or otherwise, or by the existence of signs;

7.3.3 The business does not result in an undue volume of traffic or parking that affects the Community;

7.3.4 The business conforms to all zoning provisions and is lawful in nature; and

7.3.5 The business conforms to all District Rules and Regulations and policies and procedures or by an adopted amendment.

Section 7.4. Nuisances.

No nuisance shall be permitted which is visible within or otherwise affects the Community or any portion thereof, nor any use, activity or practice which interferes with the peaceful enjoyment

or possession and proper use of the Units in the Community or any portion thereof. As used herein, the term “**nuisance**” shall include each violation of any of the Governing Documents or law, but shall not include any activities of a Declarant, District or Community Council which are incidental to the development and construction of, and promotion, marketing, and sales activities in, the Community. No noxious or offensive activity shall be carried on upon any Unit nor shall anything be done or placed on any Unit which is a nuisance.

Section 7.5. Animals.

Subject to applicable law, residents of the Community may keep animals on their Units. Notwithstanding the foregoing, the District through the Community Council may, from time to time, adopt rules, restrictions and requirements that may, among other things limit the number, species, type and breed of animals that may be kept within the Community. Animals shall not be kept for any commercial purpose and shall not be kept in such number or in such manner as to create a nuisance or undue noise to any resident of the Community. If the Community Council determines that any rules adopted by the Community Council have been violated, the District, through the Community Council may take any action(s) to correct the same. The right to keep any animals is coupled with the responsibility to pay for any damage caused by such animals, as well as all costs incurred by the District as a result of such pets or animals. The District may, at its election, from time to time, delegate its right and authority under this Section to the Community Council.

Section 7.6. Miscellaneous Improvements.

7.6.1 No advertising or signs of any character shall be erected, placed, permitted or maintained other than: a name plate of the occupant and a street number; a “**For Sale**,” “**Open House**,” “**For Rent**” and/or security sign(s) of not more than six (6) square each feet posted only for the purpose of selling, renting or evidencing the existence of a security system on such Unit; and political signs and other signs, in conformance with all other laws and regulations; and such other signs, for such length(s) of time, which have the prior written approval of the Community Council or are otherwise expressly permitted by the Rule and Regulation or Guidelines or by law; provided, however, that any and all such advertising or signs shall be subject to any and all specifications and/or Guidelines adopted by the Board of Directors. Notwithstanding the foregoing, any signs, advertising, or billboards, may be used by a Declarant, the District, or a Builder, without regard to any specifications or any Rules and Regulations, and without the prior written approval of the Board, the Community Council, or any other Person.

7.6.4 No fences shall be permitted without the prior written approval of the Community Council, except such fences as may be constructed, installed or located, in the Community, by a Declarant, the District, or a Builder.

This Section 7.6 shall be construed and applied in accordance with all applicable laws.

Section 7.7. Vehicular Parking, Storage and Repairs; Use of Garages.

7.7.1 No house trailer, camping trailer, boat trailer, hauling trailer, jet ski, boat, or accessories thereto, truck (excluding, except as hereinafter provided, pickup trucks that are rated 1 ton or less), self-contained motorized recreational vehicle, or other type of recreational or commercial vehicle or equipment, may be parked or stored on a Unit, unless such parking or storage is entirely within the garage area of such Unit or will be suitably screened from view in accordance with the Rules and Regulations or prior written approval of the Community Council. However, any such vehicles may be otherwise parked as a temporary expedient for loading, delivery, or emergency for up to 72 hours maximum. This restriction, however, shall not restrict trucks or other commercial vehicles that are necessary for construction or maintenance of any portion of the Community or any Improvements located thereon.

7.7.2 No abandoned or inoperable automobiles or vehicles of any kind shall be stored or parked on a Unit, unless such parking or storage is entirely within the garage area of such Unit. An “**abandoned or inoperable vehicle**” shall be defined as any automobile, truck, motorcycle, or other similar vehicle, which has not been driven under its own propulsion for a period of thirty days or longer, or which does not have an operable propulsion system installed therein; provided, however, that otherwise permitted vehicles may be parked for such length(s) of time as determined by the Board and/or as provided in the Rules and Regulations and/or policies and procedures of the District.

7.7.3 In the event the District (or Community Council if delegated by the District) shall determine that a vehicle is parked or stored in violation hereof, then a written notice describing said vehicle may be personally delivered to the owner thereof (if such owner can be reasonably ascertained) or may be conspicuously placed upon the vehicle (if the owner thereof cannot be reasonably ascertained), and if the vehicle is not removed within a reasonable time thereafter, as determined by the District, the District shall have the right to remove the vehicle at the sole expense of the owner thereof. If a vehicle is removed in accordance with this Section, neither the District, or any officer or agent of the District shall be liable to any Person for towing and storage costs or for any claim of damage as a result of the towing activity. The District’s right to remove a vehicle is in addition to, and not in limitation of all other rights of the District, including the right to assess fines. Notwithstanding anything to the contrary in this Section, the District may elect to impose fines or use other available sanctions, rather than exercise its authority to remove a vehicle. The district may delegate its enforcement rights and obligations under this Article 7 to the Community Council.

7.7.4 No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting or servicing of any kind of vehicles, trailers or boats, may be performed or conducted in the Community unless it is done within a completely enclosed structure which screens the sight and sound of the activity from the street and from adjoining property. The foregoing

restriction shall not be deemed to prevent the washing and polishing, on a Unit, of any motor vehicle, boat, trailer, motor cycle, or other vehicle, together with those activities normally incident and necessary to such washing and polishing subject to any watering restrictions.

Section 7.8. No Activities; No Hazardous Materials or Chemicals.

No activities shall be conducted on any Unit, or within Improvements constructed on any Unit, which are unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Unit, and no open fires shall be permitted on any Unit, except in a contained barbecue unit while attended and in use for cooking purposes, or within a fireplace and/or fire pit, or except such campfires or picnic fires on property which may be designated for such use by the District. Further, no hazardous materials or chemicals shall at any time be located, kept or stored in, on or at any Unit except such as may be contained in household products normally kept at homes for use of the residents thereof and in such limited quantities so as to not constitute a hazard or danger to person or property.

Section 7.9. No Annoying Lights, Sounds or Odors.

The Community has implemented or may implement a Dark Skies initiative to minimize nighttime light pollution in the Community. The District, through the Community Council or otherwise may, from time to time, adopt additional rules and regulations to reduce or mitigate nighttime light pollution and such rules may include, without limitation, limits on brightness, number, direction and shielding of all exterior lighting sources. No light shall be emitted from any Unit which is unreasonably bright or causes unreasonable glare. All outdoor lights must be shielded and floodlights are not permitted. No sound shall be emitted from any Unit which exceeds the El Paso County noise level ordinance of 55 DB from 7AM – 7PM or 50 DB from 7PM – 7AM. is unreasonably loud or annoying; and no odor shall be permitted from any Unit which is noxious or offensive to others Further, no annoying light, sound or odor shall be permitted in any portion of the Community that may be seen, heard or smelled from any other Unit. Additionally, the Community Counsel may from time to time adopt rules allowing and regulating the use and display of holiday lighting and displays.

Section 7.10. Restrictions on Trash and Materials.

No refuse, garbage, trash, lumber, grass, shrubs or tree clippings, plant waste, metal, bulk materials, scrap or debris of any kind shall be kept, stored, or allowed to accumulate, except inside a suitable, tightly-covered container inside the home (including garages and overhangs along the sides or rear of the home), on any Unit, nor shall any such items be deposited on a street or sidewalk, unless placed in a suitable, tightly-covered container that is suitably located solely for the purpose of garbage pickup. Further, no trash or materials shall be permitted to accumulate in such a manner as to be visible from any other portion of the Community. No trash, garbage or other refuse shall be burned in outside containers, barbecue pits or the like. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage cans, trash cans or other trash receptacles shall be maintained in an exposed or unsightly manner.

Section 7.11. Sightly Condition of Units.

Each Unit shall at all times be kept, maintained, repaired and replaced in a good, clean and sightly condition by the Owner thereof.

Section 7.12. Leases.

7.12.1 The term “lease,” as used herein, shall include any agreement for the leasing or rental of a Unit, Improvements thereon, or any portion thereof, and shall specifically include month-to-month rentals and subleases. Any Owner shall have the right to lease his Unit, or any portion thereof, under the following conditions:

7.12.2 All leases shall be in writing and for a term of not less than 90 days and no Unit may be rented or leased for short term uses including without limitation short term rentals through VRBO, AirBnB, HomeAway or similar vacation and short term rental services without the approval of the Board; and

7.12.3 All leases shall provide that the terms of the lease and lessee’s occupancy of the leased premises shall be subject in all respects to the Governing Documents; and that any failure by the lessee to comply with any of the aforesaid documents, in any respect, shall be a default under the lease.

Section 7.13. Non-Interference with Grade and Drainage.

The grading upon each Unit shall be maintained by the Owner thereof or by any owners association formed for any portion of the Property which is responsible for the maintenance of the grading on such Unit at the slope and pitch fixed by the final grading thereof. No Owner or any such owners association shall interfere in any way with the established drainage pattern over any real property maintained by the same, from adjoining or other real property. For purposes of this Section, “established drainage” is defined as the drainage which exists at the time final grading on the Unit is completed by the Builder of residence or structure on the Unit in accordance with the approved lot grading plan as approved by the County or any other governmental authority with jurisdiction over the Community. Any Owner who changes the established drainage on his or her Unit may void warranties applicable to affected components of the home and shall be liable for all costs and expenses of repairing such changes, or any costs, liabilities, damages or causes of action arising out of such changes. Each Owner shall hold harmless the District, Declarant, the Board and the Community Council for any and all damage to any party caused by any change to the established drainage on the Owner’s Unit.

Section 7.14. Restrictions on Mining or Drilling.

No portion of the surface of any property within the Community may be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing oil, gas or other hydrocarbons, minerals, rocks, stones, gravel, earth or water. Nothing herein is intended to prevent slant drilling or other techniques to access such minerals, oil and gas in a manner that does not utilize or damage the surface.

ARTICLE 8. WATER COVENANTS

Section 8.1. Water Replacement Plan.

8.1.1. The Community shall be subject to the obligations and requirements set forth in the February 3, 2020 Approval for Replacement Plan – Determination of Water Right No. 1692-BD for the Dawson aquifer, as recorded at Reception No. 220124157 of the El Paso County Clerk and recorder, which is incorporated by reference (“Replacement Plan”). The Replacement Plan concerns the water rights and water supply for the Community and creates obligations upon the Community and the Lot owners, which run with the land. The water supply for the Community shall be by individual wells to the not-nontributary Dawson aquifer under the Replacement Plan.

8.1.2. The Replacement Plan contemplates that each Lot owner will be responsible for obtaining a permit from the Colorado Division of Water Resources and drilling an individual well for water service to their residence and Lot to the Dawson aquifer, and use of such well as consistent with the terms of the Replacement Plan, including wastewater treatment through a non-evaporative individual septic disposal system (“ISDS”). Lot owners will be the owners of the Dawson aquifer underlying each of their lots, while the District will own the Replacement Plan and be responsible for reporting and administration based on pumping records provided by each Lot Owner.

Section 8.2. Water Rights Ownership.

8.2.1 Declarant will transfer and assign to the District all right, title and interest in the Replacement Plan and water rights thereunder, except as set forth herein. Declarant will transfer and assign to each Lot owner a proportionate prorate-per-acre interest in the not-nontributary Dawson aquifer, as determined in the Ground Water Determination as the physical source of supply. Depletions resulting from the use of each Dawson aquifer well on each of the Lots shall be replaced per the terms of the Replacement Plan. Based on the Declarant’s intent expressed in these Covenants that each Lot owner will be able to withdraw water from the Dawson aquifer, in order to comply with El Paso County’s 300-year water supply requirement, Declarant shall convey to each Lot owner at least 180 acre-feet total (0.6 acre-feet/year x 300 years) of Dawson aquifer water.

8.2.2. The Declarant will further assign to the applicable Lot owners all obligations and responsibilities for compliance with the Replacement Plan, including monitoring, accounting and reporting obligations to the District. The owners shall assume and perform these obligations and responsibilities so that the District may comply with accounting and reporting obligations to the Ground Water Commission as required by the Replacement Plan. By this assignment to the Lot owners and the District, the Declarant is relieved of any and all responsibilities and obligations for the administration, enforcement and operation of the Replacement Plan. Such conveyance shall be subject to the obligations and responsibilities of the Replacement Plan and said water rights may not be separately assigned, transferred, or encumbered by the Lot owners. The Lot owners shall maintain such obligations and responsibilities in perpetuity, unless relieved of such replacement responsibilities by determination of the Ground Water Commission, or other properly entered administrative relief.

8.2.3. Each Lot owner's water rights in the not-nontributary Dawson aquifer underlying their respective Lot shall remain subject to the Replacement Plan, and shall transfer automatically upon the transfer of title to each Lot as an appurtenance, including the transfer by the Declarant to the initial owner of a Lot, whether or not separately deeded. The ground water rights in the Dawson aquifer subject to the Replacement Plan cannot and shall not be severable from each respective Lot, and each Lot owner covenants that it cannot sell or transfer such ground water rights to any party separate from the conveyance of the Lot.

8.2.4 The Dawson aquifer water rights conveyed to each Lot Owner, and return flows therefrom, shall not be sold, leased or otherwise used for any purpose inconsistent with the Replacement Plan and these Declarations, and shall not be separated from the transfer of title to the land, and shall not be separately conveyed, bartered or encumbered.

Section 8.3. Water Administration.

8.3.1 Each Lot owner shall limit the pumping of each individual Dawson aquifer well per Lot to a maximum of 0.60 acre feet annually, consistent with the Replacement Plan. Each Lot owner shall further ensure that the allocations of use of water resulting from such pumping as provided in the Replacement Plan is maintained, as between in-house, irrigation, stock water and other allowed uses. Each Lot owner shall use non-evaporative septic systems in order to ensure that return flows from such systems are made to the stream system to replace depletions during pumping and shall not be sold, traded or used for any other purpose. The District, as the owner of all obligations and responsibilities under the Replacement Plan, shall administer and enforce the Replacement Plan as applies to each Lot owner's respective Lot and pumping from individual Dawson aquifer wells. Such administration shall include, without limitation, accountings to the Colorado Division of Water Resources under the Replacement Plan and taking all necessary and required actions under the Replacement Plan to protect and preserve the ground water rights for all Lot owners. Each Lot owner, and the District, have the right to specifically enforce, by injunction if necessary, the Replacement Plan against any other Lot owner, or the District, for failing to comply with the Lot owner's and/or District's respective obligations under the Replacement Plan, including the enforcement of the terms and conditions of well permits issued pursuant to the Replacement Plan, and the reasonable legal costs and fees for such enforcement shall be borne by the party against whom such action is necessary. The use of the not-nontributary Dawson ground water rights owned by each Lot owner is restricted and regulated by the terms and conditions of the Replacement Plan and these Declarations, including, without limitation, that each Lot owner is subject to the maximum annual well pumping of 0.60 acre feet. Failure of a Lot owner and/or the District to comply with the terms of the Replacement Plan may result in an order from the Division of Water Resources under the Replacement Plan to curtail use of ground water rights.

8.3.2 Each Lot owner shall promptly and fully account to the District for total pumping from the individual well to the not-nontributary Dawson Aquifer on each Lot, including for any irrigation, stockwater or other permitted/allowed uses as may be required under the Replacement Plan. The frequency of such accounting shall be annually, unless otherwise reasonably requested by the Division or Water Resources, as may be advised by the District. The District shall provide the Division of Water Resources with integrated accounting for pumping of all

not-nontributary individual Dawson aquifer wells on each Lot on an annual basis, unless otherwise reasonably requested by the Division of Water Resources.

Section 8.4. Well Permits.

8.4.1 Each Lot owner shall be responsible for obtaining a well permit for the individual well to the not-nontributary Dawson aquifer for provision of water supply to their respective lots, consistent with the terms and conditions of the Replacement Plan. All such Dawson aquifer wells shall be constructed and operated in compliance with the Replacement Plan, the well permit obtained from the Colorado Division of Water Resources, and the applicable rules and regulations of the Colorado Division of Water Resources. The costs of the construction, operation, maintenance and repair of each such individual well, and delivery of water therefrom to the residence located on such Lot, shall be at each Lot owner's respective expense. Each Lot owner shall comply with any and all requirements of the Division of Water Resources to geophysically log their well, and shall install and maintain in good working order an accurate totalizing flow meter on the well in order to provide the diversion information necessary for the accounting and administration of the Replacement Plan. It is acknowledged that certain well permits, and individual wells, may be in place on certain of the Lots at the time of sale, and by these Declarations no warranty as to the suitability or utility of such permits or structures is made nor shall be implied.

8.4.2 No party guarantees to the Lot owners the physical availability or the adequacy of water quality from any well to be drilled under the Replacement Plan. The Dawson aquifer which are the subject of the Replacement Plan are considered a nonrenewable water resource and due to anticipated water level declines the useful or economic life of the aquifers' water supply may be less than the 100 years allocated by state statutes or the 300 years of El Paso County water supply requirements, despite current groundwater modeling to the contrary.

Section 8.5. General Water Provisions.

8.5.1 The Lot owners and the District, respectively, shall perform and comply with all terms, conditions, and obligations of the Replacement Plan, and shall further comply with the terms and conditions of these Declarations, and of any well permits issued by the Division of Water Resources pursuant to the Replacement Plan, as well as all applicable statutory and regulatory authority.

8.5.2 No changes, amendments, alterations, or deletions to this Article 8 of these Declarations may be made which would alter, impair, or in any manner compromise the Replacement Plan, or the water rights of the Lot owners without the written approval of said parties, El Paso County, and from the Ground Water Commission.

8.5.3 El Paso County may enforce the provisions regarding the Replacement Plan as set forth in these Declarations, should the Lot owners and/or District fail to adequately do so.

8.5.4 These Declarations shall run with the land and shall remain in full force and effect until amended or terminated, in whole or part, by the owners of the entirety of the Community

(i.e. all Lot owners and the District), and filed for record with the Clerk and Records of El Paso County. If any of these Declarations be held invalid or become unenforceable, the other Declarations shall not be affected or impaired but shall remain in full force and effect.

8.5.5 Except as expressly mandated by applicable law, and except as limited by express provisions herein, these Declarations and the Plat may be amended only by vote or agreement of at least 67 percent of the Lot Owners. For purposes of this Paragraph, Declarant shall be deemed an owner of each Lot until such time as such Lot(s) are transferred to a third party.

8.5.6 Amendment of Declaration by Declarant. Until such time as Declarant has conveyed any Lots to a third party, any of the provisions, covenants, conditions, restrictions and equitable servitudes contained in these Declarations may be amended or terminated by Declarant by the recordation of a written instrument, executed by Declarant, setting forth such amendment or termination. Declarant reserves the right to unilaterally amend these Declarations in all circumstances permitted by law and which do not conflict with applicable statutes, rules or decrees, including the Replacement Plan. Notwithstanding anything contained within these Declarations, and to the extent permitted by law, if Declarant determines that any amendments to these Declarations shall be necessary in order for existing or future mortgages or other security instruments to be acceptable applicable authorities, then Declarant shall have and hereby specifically reserves the right and power to make, execute and record any such amendments without obtaining approval of Lot owners or mortgagees (or any percentage thereof).

8.5.7 Each amendment to these Declarations must be recorded in the records of the Clerk and Recorder for El Paso County, Colorado, and the amendment is effective only upon recording.

8.5.8 An amendment to these Declarations required to be recorded, as set forth herein, by the District, which has been adopted in accordance with these Declarations, must be prepared, executed, recorded, and certified on behalf of the District by an officer of the District designated for that purpose or, in the absence of designation, by the president of the District.

8.5.9 Termination of the Community may be accomplished by unanimous consent of the Lot owners; however, the covenants and restrictions herein regarding compliance with the Replacement Plan shall not terminate unless the requirements of the Replacement Plan are also terminated by order of the Ground Water commission and a change of water supply is approved by El Paso County.

ARTICLE 9. DISPUTE RESOLUTION

Section 9.1. Intent and Applicability of Article and Statutes of Limitation.

9.1.1 Each Person subject to this Declaration agrees to encourage the amicable resolution of disputes under any of the Governing Documents, without the emotional and financial costs of litigation. Accordingly, each Person covenants and agrees to submit all Claims (as defined below) to final, binding arbitration in accordance with the procedures set forth in Section 8.4 hereof, and not to a court of law.

9.1.2 By acceptance of a deed for a Unit, each Owner agrees to abide by the terms of this Article.

9.1.3 No Claim (as defined below) may be initiated after the date when institution of legal or equitable proceedings based on such Claim would be barred by the applicable statute of limitation or statute of repose.

Section 9.2. Definition of "Claim" Under this Article.

For purposes of this Article, "**Claim**" means, except as excluded or exempted by the terms of this Article, any claim, grievance or dispute between any Person(s) under any of the Governing Documents, and one or more other Persons, regardless of how the same may have arisen or on what it might be based, including those arising out of or related to the interpretation, application or enforcement of any of the Governing Documents, the construction or installation of any Improvements, roads, utilities or other improvements by Declarant, or any rights, obligations or duties under any of the Governing Documents.

Section 9.3. Exclusions from "Claim".

Unless specifically exempted by this Article, all Claims shall be subject to the provisions of this Article. Notwithstanding the foregoing, unless all parties thereto otherwise agree in writing, "**Claim**" does not include any of the following, and the same shall not be subject to the provisions of this Article:

9.3.1 Any action by the Community Council, the Board of Directors of the District, or the Declarant, to enforce any provision(s) of this Declaration, the Guidelines or the Rules and Regulations, including obtaining a temporary restraining order or injunction (or equivalent emergency equitable relief), to collect any costs, fees or fines imposed by the District, and/or such other ancillary relief as a court may deem necessary; or

9.3.2 Any action that asserts a Claim which would constitute a cause of action independent of the Governing Documents.

Section 9.4. Final, Binding Arbitration.

9.4.1 If a person having a Claim ("**Claimant**") desires to pursue the Claim, Claimant shall initiate final, binding arbitration of the Claim with Judicial Arbitrator Group ("**JAG**") or any other person agreed to by the Claimant and the Person against whom the Claimant has asserted a Claim, in accordance with the then-current rules of JAG or other agreed arbitrator. Any judgment upon the award rendered by the arbitrator shall be final and not subject to appeal and may be

entered in and enforced by any court having jurisdiction over such Claim. Unless otherwise mutually agreed to by the parties to the dispute, there shall be one arbitrator who shall have expertise in the area(s) of dispute, which may include legal expertise if legal issues are involved.

9.4.2 Each party to a dispute shall bear its own costs and expenses, and an equal share of the arbitrator's and administrative fees of arbitration. Notwithstanding the foregoing, if a party to a dispute unsuccessfully contests the validity or scope of arbitration in a court of law, reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial and on appeal, shall be awarded to the non-contesting party. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator.

9.4.3 The award of the arbitrator shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party to such dispute nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all of the parties to the dispute.

Section 9.5. Liability for Certain Failures of District or District.

No director or officer of the District or member of the Community Council shall be liable to any Person for failure to institute or maintain or bring to conclusion a cause of action, mediation, arbitration, or other dispute resolution, if the following criteria are satisfied: (a) the director or officer was acting within the scope of his or her duties; (b) the director or officer was not acting in bad faith; and (c) the act or omission was not willful, wanton or grossly negligent. So long as the Special Declarant Rights remain in effect, this Article 8 shall not be amended, repealed or replaced without the written consent of the Declarant.

ARTICLE 10. GENERAL PROVISIONS

Section 10.1. Enforcement.

10.1.1 This Section 9.1 is subject to Article 8 of this Declaration (Dispute Resolution).

10.1.2 Enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, liens, charges and other provisions contained in any of the Governing Documents, as amended, may be by any proceeding at law or in equity against any Person(s) violating or attempting to violate any such provision. Remedies shall be cumulative and no remedy shall be exclusive of other remedies that may be available. The District shall use reasonable efforts to enforce the provisions of the governing documents in accordance with the terms of this Declaration. The District, the Declarant and any aggrieved Owner shall have the right, but not the duty, to institute, maintain and prosecute any such proceedings. For each claim, including counterclaims, cross claims and third-party claims, in any proceeding to enforce the provisions or any of the Governing Documents, the prevailing party shall be awarded its reasonable collection costs and attorney fees and costs incurred in asserting or defending the claim; except that, any Person who brings an action against any Declarant, any Builder, the District, or the Community Council, regarding enforcement, or non-enforcement, of any provision(s) of the Governing Documents, shall not be awarded their costs or any attorney fees. Failure by Declarant, the District,

the Community Council, or any Owner to enforce any covenant, restriction or other provision contained in any of the Governing Documents, shall in no event give rise to any liability for damages, nor shall such non-enforcement be deemed a waiver of the right to thereafter enforce any covenant, restriction or other provision of the Governing Documents, regardless of the number of violations or breaches that may occur.

10.1.3 The District shall have all remedies available to it at law or in equity, including, without limitation, the following remedies and any other remedies set forth herein: (a) the District may record a notice of violation against the Unit on which the violation exists; (b) The District has the right to remove, correct or otherwise remedy any violation in any manner the District deems appropriate; (c) the District may file an action for injunctive relief to cause an existing violation to be brought into compliance with the Governing Documents and the District shall recover all costs and attorneys' fees associated with bringing the action; (d) the District may levy and collect fees, charges, penalties and fines for the violation of any provisions of the Governing Documents. Prior to the imposition of any fines, the District shall give the Owner to be subject to the fine notice and the opportunity for a hearing before the Board of Directors of the District. The Rules and Regulations may further define the process by which such fines may be imposed, including but not limited to establishing the schedule of fines to be imposed. Severability.

Section 10.2. Severability.

All provisions of this Declaration are severable. Invalidation of any of the provisions of this Declaration or any of the Governing Documents, by judgment, court order or otherwise, shall in no way affect or limit any other provisions which shall remain in full force and effect.

Section 10.3. Annexation; Withdrawal.

10.3.1 The Declarant may annex to the Property additional property, including any property which may previously have been withdrawn from the Property. Each such annexation, if any, shall be accomplished by recording of an annexation document that expressly states that the property described therein shall be subject to this Declaration and all terms and provisions hereof.

10.3.2 Declarant hereby reserves the right to Record one or more documents in order to clarify the effect of any annexation(s). Each such document(s), if any such document(s) are Recorded by a Declarant, may state the legal description(s) of any property which has been annexed, and may include such other provisions as a Declarant may determine.

10.3.3 Declarant reserves the right to withdraw the Property, or any portion thereof, including one or more Units, from this Declaration, so long as the Declarant owns the portion of the Property to be withdrawn. Each withdrawal, if any, may be effected by the Declarant recording a withdrawal document in the Records. A withdrawal as contained in this paragraph constitutes a divestiture, withdrawal, and de-annexation of the withdrawn property from this Declaration so that, from and after the date of recording a withdrawal document, the property so withdrawn shall not be part of the Property or the Community, or in any way subject to the terms hereof.

Section 10.4. Declarant's and Each Builder's Use.

Notwithstanding anything to the contrary, it shall be expressly permissible for Declarant and each Builder, and their respective employees, agents, and contractors, to perform all activities, and to maintain Improvements, tools, equipment, and facilities, on the portion of the Property owned by them and also on public property, incidental to development, construction, use, rental, sale, occupancy, and/or advertising. The foregoing includes locating, maintaining and relocating management offices, signs, sales offices, model units and construction offices and trailers, in such numbers, of such sizes, and at such locations as Declarant or Builder determines, and for access to, from, and incidental to such uses. Nothing contained in this Declaration shall limit the rights of Declarant or a Builder to conduct all construction, promotion, sales, and marketing activities as such Declarant or such Builder determines, and to use the easements provided in this Declaration for those and other purposes. Further, nothing contained in this Declaration shall limit the rights of a Declarant or a Builder, or require a Declarant or a Builder to obtain any approvals:

10.4.1 to excavate, cut, fill or grade any property or to construct, alter, demolish or replace any Improvements;

10.4.2 to use any Improvements on any property as sales offices, management offices, model units and/or construction offices; and/or

10.4.3 to require a Declarant to seek or obtain any approvals for any activity.

Section 10.5. Duration, Revocation, and Amendment.

10.5.1 Each and every provision of this Declaration shall run with and bind the land perpetually from the date of Recording of this Declaration. Except as otherwise provided in this Declaration, this Declaration may be amended by the affirmative vote or agreement of Owners holding at least sixty-seven percent (67%) of the Units, with each Unit being allocated one vote; provided, however, prior to the termination of the Special Declarant Rights no amendment of this Declaration shall be effective without the prior written approval of the Declarant. Further, amendments shall be applicable only to disputes, issues, circumstances, events, claims or causes of action that arose out of circumstances or events that occurred after the Recording of such amendment; and no amendment shall be applied retroactively to any earlier occurring disputes, issues, events, circumstances, actions, claims or causes of action.

10.5.2 Notwithstanding anything to the contrary, any of the Governing Documents may be amended, in whole or in part, by the Declarant without the consent or approval of any other Person, in order to comply with the requirements, standards, or guidelines of any recognized secondary mortgage markets, including without limitation the department of housing and urban development, the federal housing administration, the veterans administration, the federal home loan mortgage corporation, the government national mortgage association, and the federal national mortgage association. Such right of amendment shall terminate automatically as provided in Section 1.19 of this Declaration.

10.5.3 Notwithstanding anything to the contrary, any of the Governing Documents, or any map or plat, may be amended in whole or in part, by a Declarant without the consent or

approval of any other Person in order to correct clerical, typographical, or technical errors. Such right of amendment shall terminate automatically as provided in Section 1.20 of this Declaration.

10.5.4 Except as to amendments which may be made by the Declarant, amendments to this Declaration may be prepared, executed, Recorded, and certified by any officer of the District designated for that purpose. Such certification shall, in the case of an amendment requiring the approval of Owners, certify that the District has received the requisite approvals. Amendments to this Declaration which may be made by a Declarant pursuant to this Declaration may be signed by a Declarant and shall require no other signatory.

10.5.5 No action to challenge the validity of this Declaration may be brought more than one year after the recording of this Declaration. Further, no action to challenge the validity of any amendment to this Declaration may be brought more than one year after the recording of such amendment.

Section 10.6. Registration of Mailing Address.

Each Owner and each Security Interest Holder, insurer or guarantor of a Security Interest, shall register his mailing address with the District, and all statements, demands and other notices intended to be served upon an Owner, or upon a Security Interest Holder, insurer or guarantor of a Security Interest shall, subject to Section 2.4 of this Declaration (Authenticated Electronic Representation), be sent by U.S. mail, postage prepaid, addressed in the name of such Person at such registered mailing address. However, if any Owner fails to notify the District of a registered address, then any statement, demand or other notice may be delivered or sent, as aforesaid, to such Owner at the address of such Owner's Unit.

Section 10.7. Limitation on Liability.

Declarant, any Builder, the District, the Community Council, and their respective directors, officers, shareholders, members, partners, agents and employees, shall not be liable to any Person for any action or for any failure to act arising out of any of the Governing Documents, unless the action or failure to act was not in good faith and was done or withheld with malice. Further, the District does not waive, and no provision of this Declaration shall be deemed a waiver of, the immunities and limitations to which the District is entitled as a matter of law, including the Colorado Governmental Immunity Act, §24-10-101, et seq. C.R.S., as amended. The release and waiver set forth in Section 9.11 (Waiver) shall apply to this Section.

Section 10.8. No Representations, Guaranties or Warranties.

No representations, guaranties or warranties of any kind, express or implied, shall be deemed to have been given or made by a Declarant, any Builder, the District, the Board of Directors, the Community Council, or their respective owners, officers, directors, members, partners, agents or employees, in connection with any portion of the Community, or any Improvement, its or their physical condition, structural integrity, freedom from defects, zoning, compliance with applicable laws, fitness for intended use, or view, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, unless and except as shall be specifically set forth in writing. The release and waiver set forth in Section 9.11 (Waiver) shall apply to this Section.

Section 10.9. Disclaimer Regarding Safety.

DECLARANT, EACH BUILDER, THE DISTRICT, THE BOARD OF DIRECTORS, THE COMMUNITY COUNCIL, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, OWNERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, HEREBY DISCLAIM ANY OBLIGATION REGARDING THE SECURITY OF ANY PERSONS OR PROPERTY WITHIN THE COMMUNITY. BY ACCEPTING A DEED TO PROPERTY WITHIN THE COMMUNITY, EACH OWNER ACKNOWLEDGES THAT DECLARANT, EACH BUILDER, THE BOARD OF DIRECTORS, THE COMMUNITY COUNCIL, AND THEIR RESPECTIVE OWNERS, OFFICERS, DIRECTORS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, ARE ONLY OBLIGATED TO DO THOSE ACTS SPECIFICALLY ENUMERATED HEREIN, OR IN THE GOVERNING DOCUMENTS, AND ARE NOT OBLIGATED TO DO ANY OTHER ACTS WITH RESPECT TO THE SAFETY OR PROTECTION OF PERSONS OR PROPERTY WITHIN THE COMMUNITY. THE RELEASE AND WAIVER SET FORTH IN SECTION 9.11 (WAIVER) SHALL APPLY TO THIS SECTION.

Section 10.10. Development Within and Surrounding the Community and Adjacent Uses.

Each Owner acknowledges that development within and surrounding the Community may continue for an indefinite period, and that plans for the density, type and location of improvements, developments or land uses, may change over time. Such development may entail changes to or alterations in the access to the Community, views of or from the Community or the Units, surrounding land uses, open space or facilities, traffic volumes or patterns, privacy or other off-site aspects or amenities. Each Owner acknowledges that the Community may be subject to noise, fumes, dust, particles, and any other effects of agricultural operations that may take place near the Community. By accepting a deed to a Unit, each Owner accepts title to such Unit subject to the foregoing, and waives and releases any claim against the Declarant, any Builder, the District, the Board of Directors, the Community Council, and their respective owners, officers, directors, members, partners, agents and employees, heirs, personal representatives, successors and assigns, arising out of or associated with any of the foregoing. The release and waiver set forth in Section 9.11 (Waiver) shall apply to this Section.

Section 10.11. Waiver.

By acceptance of a deed to a Unit, each Owner hereby releases, waives, and discharges Declarant, each Builder, the District, the Board of Directors, the Community Council, and their respective owners, officers, directors, members, partners, agents and employees, heirs, personal representatives, successors and assigns, from all losses, claims, liabilities, costs, expenses, and damages, arising directly or indirectly from any hazards, disclosures or risks set forth in this Declaration, including without limitation those contained in Sections 9.7, 9.8, 9.9 and 9.10.

Section 10.12. Headings.

The Article, Section and subsection headings in this Declaration are inserted for convenience of reference only, do not constitute a part of this Declaration, and in no way define, describe or limit the scope or intent of this Declaration or any of the provisions hereof.

Section 10.13. Gender.

Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular and the use of any gender shall be applicable to all genders.

Each provision that authorizes, directs or permits action shall be deemed to include such language.

Section 10.16. Sole Discretion.

All actions which are taken by a Declarant, the District, a Builder, the Board, the Community Council, any director, any committee, or any other Person, shall be deemed to be taken “**in the sole discretion**” of each of such parties.

Section 10.17. Run with Land; Binding Upon Successors.

AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS OF WINSOME

Winsome, LLC, a Colorado limited liability company (the "Declarant"), executes this Amendment to Declaration of Covenants Conditions and Restrictions of Winsome (the "Amendment") as of the 29th day of December 2021

RECITALS

WHEREAS, that certain Declaration of Covenants Conditions and Restrictions of Winsome (as amended and supplemented, the "Declaration") was recorded by Declarant in the real property records of El Paso County, Colorado, on March 2, 2021 at Reception No. 221040908.

WHEREAS, pursuant to Section 10.3 of the Declaration, Declarant may annex additional property and subject such additional property to the terms of the Declaration.

WHEREAS, Declarant is the owner of the property set forth on **Exhibit A** to this Amendment (the "Annexed Property") and, subject to the terms hereof, desires to subject the Annexed Property to all covenants, conditions, restrictions and terms of the Declaration;

WHEREAS, Pursuant to section 10.3.2 of the Declaration, Declarant may subject the Annexed Property to such other provisions as Declarant may determine.

DECLARATION

NOW, THEREFORE, the Association hereby declares as follows:

1. Recitals and Definitions. The Recitals set forth above are true and correct, and incorporated herein as though fully restated herein. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Declaration.
2. Amendment. The Declaration is hereby amended such that the Annexed Property shall be annexed to and be a part of the Property, subject to all covenants, conditions, restrictions and terms of the Declaration for all purposes except as specifically set forth herein below.
3. Water Covenants. The Annexed Property shall be subject to the following water covenants which shall replace Sections 8.1, 8.2, 8.3, 8.4 , and 8.5 of Article 8 of the Declaration as to the Annexed Property:

Section 8.1. Water Replacement Plan.

8.1.1 The Annexed Property shall be subject to the obligations and requirements set forth in the February 3, 2020 Replacement Plan No. 2 – Determination of Water Right No. 1692-BD for the Dawson aquifer, as recorded at Reception No. 220124157 of the El Paso County Clerk and recorder, and the August 27, 2021 Replacement Plan No. 1692-RP, No. 4, as recorded at Reception No. 221170254 of the El Paso County Clerk and Recorder, which are incorporated by reference and all requirements of Replacement Plan No. 2 and Replacement Plan No. 4 thereunder (collectively the “Replacement Plan”). The Replacement Plan concerns the water rights and water supply for the Community and creates obligations upon the Community and the Lot owners, which run with the land. The water supply for the Community shall be by individual wells to the not-nontributary Dawson aquifer under the Replacement Plan.

8.1.2 The Replacement Plan contemplates that each Lot owner will be responsible for obtaining a permit from the Colorado Division of Water Resources and drilling an individual well for water service to their residence and Lot to the Dawson aquifer, and use of such well as consistent with the terms of the Replacement Plan, including wastewater treatment through a non-evaporative individual septic disposal system (“ISDS”). Lot owners will be the owners of the Dawson aquifer underlying each of their lots, while the District will own the Replacement Plan and be responsible for reporting and administration based on pumping records provided by each Lot Owner.

Section 8.2. Water Rights Ownership.

8.2.1 Declarant will transfer and assign to the District all right, title and interest in the Replacement Plan and water rights thereunder, except as set forth herein. Declarant will transfer and assign to each Lot owner at least 180 acre-feet in the not-nontributary Dawson aquifer, as determined by the Ground Water Commission in the Determination of Water Right No. 1692-BD as the physical source of supply. Depletions resulting from the use of each Dawson aquifer well on each of the Lots shall be replaced per the terms of the Replacement Plan. Based on the Declarant’s intent expressed in these Covenants that each Lot owner will be able to withdraw water from the Dawson aquifer, in order to comply with El Paso County’s 300-year water supply requirement, Declarant shall convey to each Lot owner at least 180 acre-feet total (0.6 acre-feet/year x 300 years) of Dawson aquifer water.

8.2.2. The Declarant will further assign to the applicable Lot owners all obligations and responsibilities for compliance with the Replacement Plan, including monitoring, accounting and reporting obligations to the District. The owners shall assume and perform these obligations and responsibilities so that the District may comply with accounting and reporting obligations to the Ground Water Commission as required by the Replacement Plan. By this assignment to the Lot owners and the District, the Declarant is relieved of any and all responsibilities and obligations for the administration, enforcement and operation of the Replacement Plan. Such conveyance shall be subject to the obligations and responsibilities of the Replacement Plan and said water rights may not be separately assigned, transferred, or encumbered by the Lot owners. The Lot owners shall maintain such obligations and responsibilities in

perpetuity, unless relieved of such replacement responsibilities by determination of the Ground Water Commission, or other properly entered administrative relief.

8.2.3. Each Lot owner's water rights in the not-nontributary Dawson aquifer underlying their respective Lot shall remain subject to the Replacement Plan, and shall transfer automatically upon the transfer of title to each Lot as an appurtenance, including the transfer by the Declarant to the initial owner of a Lot, whether or not separately deeded. The ground water rights in the Dawson aquifer subject to the Replacement Plan cannot and shall not be severable from each respective Lot, and each Lot owner covenants that it cannot sell or transfer such ground water rights to any party separate from the conveyance of the Lot.

8.2.4 The Dawson aquifer water rights conveyed to each Lot Owner, and return flows therefrom, shall not be sold, leased or otherwise used for any purpose inconsistent with the Replacement Plan and this Declaration, and shall not be separated from the transfer of title to the land, and shall not be separately conveyed, bartered or encumbered.

Section 8.3. Water Administration.

8.3.1 Each Lot owner shall limit the pumping of each individual Dawson aquifer well per Lot to a maximum of 0.60 acre-feet annually, consistent with the Replacement Plan. Each Lot owner shall further ensure that the allocations of use of water resulting from such pumping as provided in the Replacement Plan is maintained, as between in-house, irrigation, stock water and other allowed uses. Each Lot owner shall use non-evaporative septic systems in order to ensure that return flows from such systems are made to the stream system to replace depletions during pumping and shall not be sold, traded or used for any other purpose. Each lot served by a Dawson aquifer well must have an occupied single-family dwelling that is generating return flows from a non-evaporative septic system prior to any application of water for irrigation or animal watering. The District, as the owner of all obligations and responsibilities under the Replacement Plan, shall administer and enforce the Replacement Plan as applies to each Lot owner's respective Lot and pumping from individual Dawson aquifer wells. Such administration shall include, without limitation, accountings to the Colorado Division of Water Resources under the Replacement Plan and taking all necessary and required actions under the Replacement Plan to protect and preserve the ground water rights for all Lot owners. Each Lot owner, and the District, have the right to specifically enforce, by injunction if necessary, the Replacement Plan against any other Lot owner, or the District, for failing to comply with the Lot owner's and/or District's respective obligations under the Replacement Plan, including the enforcement of the terms and conditions of well permits issued pursuant to the Replacement Plan, and the reasonable legal costs and fees for such enforcement shall be borne by the party against whom such action is necessary. The use of the not-nontributary Dawson ground water rights owned by each Lot owner is restricted and regulated by the terms and conditions of the Replacement Plan and these Declarations, including, without limitation, that each Lot owner is subject to the maximum annual well pumping of 0.60 acre-feet. Failure of a Lot owner and/or the District to comply with the terms of the Replacement Plan may result in an order from the Division of Water Resources under the Replacement Plan to curtail use of ground water rights.

8.3.2 Each Lot owner shall promptly and fully account to the District for total pumping from the individual well to the not-nontributary Dawson Aquifer on each Lot, including

for any irrigation, stockwater or other permitted/allowed uses as may be required under the Replacement Plan. The frequency of such accounting shall be annually, unless otherwise reasonably requested by the Division or Water Resources, as may be advised by the District. The District shall provide the Division of Water Resources with integrated accounting for pumping of all not-nontributary individual Dawson aquifer wells on each Lot on an annual basis, unless otherwise reasonably requested by the Division of Water Resources.

Section 8.4. Well Permits.

8.4.1 Each Lot owner shall be responsible for obtaining a well permit for the individual well to the not-nontributary Dawson aquifer for provision of water supply to their respective lots, consistent with the terms and conditions of the Replacement Plan. All such Dawson aquifer wells shall be constructed and operated in compliance with the Replacement Plan, the well permit obtained from the Colorado Division of Water Resources, and the applicable rules and regulations of the Colorado Division of Water Resources. The costs of the construction, operation, maintenance and repair of each such individual well, and delivery of water therefrom to the residence located on such Lot, shall be at each Lot owner's respective expense. Each Lot owner shall comply with any and all requirements of the Division of Water Resources to geophysically log their well, and shall install and maintain in good working order an accurate totalizing flow meter on the well in order to provide the diversion information necessary for the accounting and administration of the Replacement Plan. It is acknowledged that certain well permits, and individual wells, may be in place on certain of the Lots at the time of sale, and by this Declaration no warranty as to the suitability or utility of such permits or structures is made nor shall be implied.

8.4.2 No party guarantees to the Lot owners the physical availability or the adequacy of water quality from any well to be drilled under the Replacement Plan. The Dawson aquifer which are the subject of the Replacement Plan are considered a nonrenewable water resource and due to anticipated water level declines the useful or economic life of the aquifers' water supply may be less than the 100 years allocated by state statutes or the 300 years of El Paso County water supply requirements, despite current groundwater modeling to the contrary.

Section 8.5 Commercial Lot.

8.5.1 The Declarant will convey a portion of the nontributary Denver aquifer, as determined by the Colorado Ground Water Commission in Determination of Water Right No. 1691-BD on June 25, 2008, as the physical source of supply for the commercial lot within the Annexed Property. In order to comply with El Paso County's 300-year water supply requirement, Declarant shall convey to the commercial lot at least 1,500 acre-feet total (5.0 acre-feet/year x 300 years) of Denver aquifer water. Pumping from the commercial lot shall be limited to 5.0 annual acre-feet annually, and is subject to the terms and conditions contained in that Determination of Water Right No. 1691-BD. The owner of the commercial lot shall be responsible for obtaining a well permit for the nontributary Denver aquifer well for provision of water supply to the lot, consistent with the terms and conditions this Section 8.2.2. and Determination No. 1691-BD. The Denver aquifer well(s) shall be constructed and operated in compliance with all applicable rules and regulations of the Colorado Division of Water Resources, including any requirements to geophysically log the well and install and maintain a totalizing flow meter on the well. The costs

of the construction, operation, maintenance, and repair of the Denver aquifer well, and delivery of water therefrom, shall be at the commercial lot owner's expense.

8.5.2. The commercial lot is not subject to any other portion of this Declaration except for the obligations and limitations concerning the commercial lot's water supply set forth in this Section 8.5 and Section 8.6.

General Water Provisions.

8.6.1 The Lot owners and the District, respectively, shall perform and comply with all terms, conditions, and obligations of the Replacement Plan, and shall further comply with the terms and conditions of this Declaration, and of any well permits issued by the Division of Water Resources pursuant to the Replacement Plan, as well as all applicable statutory and regulatory authority.

8.6.2 Notwithstanding any provisions herein to the contrary, no changes, amendments, alterations, or deletions to this Article 8 of this Declaration may be made which would alter, impair, or in any manner compromise the water supply and/or the Replacement Plan, or the water rights of the Lot owners, without the written approval of said parties, El Paso County, and from the Ground Water Commission.

8.6.3 El Paso County may enforce the provisions regarding the Replacement Plan as set forth in this Declaration, should the Lot owners and/or District fail to adequately do so.

8.6.4 This Declaration shall run with the land and shall remain in full force and effect until amended or terminated, in whole or part, by the owners of the entirety of the Community (i.e. all Lot owners and the District), and filed for record with the Clerk and Records of El Paso County. If any of these Covenants are held invalid or become unenforceable, the other Covenants shall not be affected or impaired but shall remain in full force and effect.

8.6.5 Except as expressly mandated by applicable law, and except as limited by express provisions herein, this Declaration and the Plat may be amended only by vote or agreement of at least 67 percent of the Lot Owners. For purposes of this Paragraph, Declarant shall be deemed an owner of each Lot until such time as such Lot(s) are transferred to a third party.

8.6.6 Amendment of Declaration by Declarant. Until such time as Declarant has conveyed any Lots to a third party, any of the provisions, covenants, conditions, restrictions and equitable servitudes contained in this Declaration may be amended or terminated by Declarant by the recordation of a written instrument, executed by Declarant, setting forth such amendment or termination. Declarant reserves the right to unilaterally amend this Declaration in all circumstances permitted by law and which do not conflict with applicable statutes, rules or decrees, including the Replacement Plan. Notwithstanding anything contained within this Declaration, and to the extent permitted by law, if Declarant determines that any amendments to this Declaration shall be necessary in order for existing or future mortgages or other security instruments to be acceptable applicable authorities, then Declarant shall have and hereby specifically reserves the right and power to make, execute and record any such amendments without obtaining approval of Lot owners or mortgagees (or any percentage thereof).

8.6.7 Each amendment to this Declaration must be recorded in the records of the Clerk and Recorder for El Paso County, Colorado, and the amendment is effective only upon recording.

8.6.8 An amendment to this Declaration is required to be recorded, as set forth herein, by the District, which has been adopted in accordance with this Declaration, must be prepared, executed, recorded, and certified on behalf of the District by an officer of the District designated for that purpose or, in the absence of designation, by the president of the District.

8.6.9 Termination of the Community may be accomplished by unanimous consent of the Lot owners; however, the covenants and restrictions herein regarding compliance with the Replacement Plan and Determination Nos. 1691-BD and 1692-BD, shall not terminate unless the requirements of the Replacement Plan are also terminated by order of the Ground Water commission and a change of water supply is approved by El Paso County.

4. Signs. With respect to the Annexed Property, Section 7.6.1 of the Declaration is hereby deleted in its entirety and replaced with the following:

7.6.1 Subject to applicable laws and legal requirements, the District or Community Council, if delegated such authority by the District, may from time to time adopt, amend and repeal Rules and Regulations related to posting of signs and flags within the Annexed Property.

5. Renewal Energy Devices. The last sentence of section 4.3 of the Declaration is hereby deleted in its entirety and replaced with the following:

If the Community Council fails to decide any application or request within forty-five (45) days after the complete submission of the plans, specifications, materials and other information with respect thereto, then such application or request for approval shall be deemed to have been denied by the Community Council, except in the case of a request for approval of renewal energy devices which are deemed approved if not denied or returned for modifications within sixty (60) days.

6. Conflict. In the event of any conflict between this Amendment and the Declaration, the terms of this Amendment shall control. Except as specifically modified herein, the terms of the Declaration shall remain unchanged.

IN WITNESS WHEREOF, the Association has executed this Amendment effective as of the date and year above written.

RECITALS

WHEREAS, that certain Declaration of Covenants Conditions and Restrictions of Winsome (as amended and supplemented, the "Declaration") was recorded by Declarant in the real property records of El Paso County, Colorado, on March 2, 2021 at Reception No. 221040908.

WHEREAS, pursuant to Section 10.3 of the Declaration, Declarant may annex additional property and subject such additional property to the terms of the Declaration.

WHEREAS, Declarant is the owner of the property set forth on **Exhibit A** to this Amendment (the "Annexed Property") and, subject to the terms hereof, desires to subject the Annexed Property to all covenants, conditions, restrictions and terms of the Declaration;

WHEREAS, Pursuant to section 10.3.2 of the Declaration, Declarant may subject the Annexed Property to such other provisions as Declarant may determine.

DECLARATION

NOW, THEREFORE, the Association hereby declares as follows:

1. Recitals and Definitions. The Recitals set forth above are true and correct, and incorporated herein as though fully restated herein. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Declaration.

2. Amendment. The Declaration is hereby amended such that the Annexed Property shall be annexed to and be a part of the Property, subject to all covenants, conditions, restrictions and terms of the Declaration for all purposes except as specifically set forth herein below.

3. Water Covenants. The Annexed Property shall be subject to the following water covenants which shall replace Sections 8.1, 8.2, 8.3, 8.4, and 8.5 of Article 8 of the Declaration as to the Annexed Property:

Section 8.1. Water Replacement Plan.

8.1.1 The Annexed Property shall be subject to the obligations and requirements set forth in the February 3, 2020 Replacement Plan No. 2 – Determination of Water Right No. 1692-BD for the Dawson aquifer, as recorded at Reception No. 220124157 of the El Paso County Clerk and recorder, and the August 27, 2021 Replacement Plan No. 1692-RP, No. 4, as recorded at Reception No. 221170254 of the El Paso County Clerk and Recorder, which are incorporated by reference and all requirements of Replacement Plan No. 2 and Replacement Plan No. 4 thereunder (collectively the “Replacement Plan”). The Replacement Plan concerns the water rights and water supply for the Community and creates obligations upon the Community and the Lot owners, which run with the land. The water supply for the Community shall be by individual wells to the not-nontributary Dawson aquifer under the Replacement Plan.

8.1.2 The Replacement Plan contemplates that each Lot owner will be responsible for obtaining a permit from the Colorado Division of Water Resources and drilling an individual well for water service to their residence and Lot to the Dawson aquifer, and use of such well as consistent with the terms of the Replacement Plan, including wastewater treatment through a non-evaporative individual septic disposal system (“ISDS”). Lot owners will be the owners of the Dawson aquifer underlying each of their lots, while the District will own the Replacement Plan and be responsible for reporting and administration based on pumping records provided by each Lot Owner.

Section 8.2. Water Rights Ownership.

8.2.1 Declarant reserves 6,840 acre-feet of Dawson aquifer water pursuant to the Colorado Ground Water Commission Determination 1692-BD and Replacement Plan No. 1692-RP, No. 4, for purposes to satisfying El Paso County’s 300-year water supply requirement for the 38 lots in the Annexed Property. Declarant makes said reservation for purpose of transferring and assigning to the District all right, title and interest in the Replacement Plan and water rights thereunder, except as set forth herein. Declarant will transfer and assign to each Lot owner at least 180 acre-feet in the not-nontributary Dawson aquifer per lot, as determined by the Ground Water Commission in the Determination of Water Right No. 1692-BD as the physical source of supply. Depletions resulting from the use of each Dawson aquifer well on each of the Lots shall be replaced per the terms of the Replacement Plan. Based on the Declarant’s intent expressed in these Covenants that each Lot owner will be able to withdraw water from the Dawson aquifer, in order to comply with El Paso County’s 300-year water supply requirement, Declarant shall convey to each Lot owner at least 180 acre-feet total (0.6 acre-feet/year x 300 years) of Dawson aquifer water.

8.2.2 The Declarant will further assign to the applicable Lot owners all obligations and responsibilities for compliance with the Replacement Plan, including monitoring, accounting and reporting obligations to the District. The owners shall assume and perform these obligations and responsibilities so that the District may comply with accounting and reporting obligations to the Ground Water Commission as required by the Replacement Plan. By this assignment to the Lot owners and the District, the Declarant is relieved of any and all responsibilities and obligations for the administration, enforcement and operation of the

Replacement Plan. Such conveyance shall be subject to the obligations and responsibilities of the Replacement Plan and said water rights may not be separately assigned, transferred, or encumbered by the Lot owners. The Lot owners shall maintain such obligations and responsibilities in perpetuity, unless relieved of such replacement responsibilities by determination of the Ground Water Commission, or other properly entered administrative relief.

8.2.3 Each Lot owner's water rights in the not-nontributary Dawson aquifer underlying their respective Lot shall remain subject to the Replacement Plan, and shall be explicitly conveyed. Such conveyance shall be by special warranty deed, but there shall be no warranty as to the quantity or quality of water conveyed, only as to title. Should a successor lot owner fail to explicitly convey the water rights with the property, any water rights shall transfer automatically upon the transfer of title to each Lot as an appurtenance, including the transfer by the Declarant to the initial owner of a Lot, whether or not separately deeded. Said transfer shall occur whether or not Determination No. 1692-BD and the Replacement Plan and the water rights therein are specifically referenced in such deed. The ground water rights in the Dawson aquifer subject to the Replacement Plan cannot and shall not be severable from each respective Lot, and each Lot owner covenants that it cannot sell or transfer such ground water rights to any party separate from the conveyance of the Lot. Instruments conveying the not-nontributary Dawson aquifer water rights shall include the following language:

“These water rights conveyed, and the return flows therefrom, are intended to provide a 300-year water supply from the initiation of pumping, and replacement during pumping, for each of the lots of the Winsome Subdivision. The water rights so conveyed and the return flows therefrom shall be appurtenant to each of the respective lots with which they are conveyed, shall not be separated from the transfer of title to the land, and shall not be separately conveyed, sold, traded, bartered, assigned, or encumbered in whole or in part for any other purpose. Such conveyance shall be by special warranty deed, but there shall be no warranty as to the quantity or quality of water conveyed, only as to the title.”

8.2.4 The Dawson aquifer water rights conveyed to each Lot Owner, and return flows therefrom, shall not be sold, leased or otherwise used for any purpose inconsistent with the Replacement Plan and this Declaration, and shall not be separated from the transfer of title to the land, and shall not be separately conveyed, sold, traded, bartered, assigned or encumbered in whole or in part for any other purpose.

Section 8.3. Water Administration.

8.3.1 Each Lot owner shall limit the pumping of each individual Dawson aquifer well per Lot to a maximum of 0.60 acre-feet annually, consistent with the Replacement Plan. Each Lot owner shall further ensure that the allocations of use of water resulting from such pumping as provided in the Replacement Plan is maintained, as between in-house, irrigation, stock water and other allowed uses. Each Lot owner shall use non-evaporative septic systems in order to ensure that return flows from such systems are made to the stream system to replace depletions during pumping and shall not be sold, traded or used for any other purpose. Each lot served by a Dawson aquifer well must have an occupied single-family dwelling that is generating return flows from a

non-evaporative septic system prior to any application of water for irrigation or animal watering. The District, as the owner of all obligations and responsibilities under the Replacement Plan, shall administer and enforce the Replacement Plan as applies to each Lot owner's respective Lot and pumping from individual Dawson aquifer wells. Such administration shall include, without limitation, accountings to the Colorado Division of Water Resources under the Replacement Plan and taking all necessary and required actions under the Replacement Plan to protect and preserve the ground water rights for all Lot owners. Each Lot owner, and the District, have the right to specifically enforce, by injunction if necessary, the Replacement Plan against any other Lot owner, or the District, for failing to comply with the Lot owner's and/or District's respective obligations under the Replacement Plan, including the enforcement of the terms and conditions of well permits issued pursuant to the Replacement Plan, and the reasonable legal costs and fees for such enforcement shall be borne by the party against whom such action is necessary. The use of the not-nontributary Dawson ground water rights owned by each Lot owner is restricted and regulated by the terms and conditions of the Replacement Plan and these Declarations, including, without limitation, that each Lot owner is subject to the maximum annual well pumping of 0.60 acre-feet. Failure of a Lot owner and/or the District to comply with the terms of the Replacement Plan may result in an order from the Division of Water Resources under the Replacement Plan to curtail use of ground water rights.

8.3.2 Each Lot owner shall promptly and fully account to the District for total pumping from the individual well to the not-nontributary Dawson Aquifer on each Lot, including for any irrigation, stockwater or other permitted/allowed uses as may be required under the Replacement Plan. The frequency of such accounting shall be annually, unless otherwise reasonably requested by the Division or Water Resources, as may be advised by the District. The District shall provide the Division of Water Resources with integrated accounting for pumping of all not-nontributary individual Dawson aquifer wells on each Lot on an annual basis, unless otherwise reasonably requested by the Division of Water Resources.

Section 8.4. Well Permits.

8.4.1 Each Lot owner shall be responsible for obtaining a well permit for the individual well to the not-nontributary Dawson aquifer for provision of water supply to their respective lots, consistent with the terms and conditions of the Replacement Plan, and pursuant to C.R.S. § 37-90-137(4) and (10). All such Dawson aquifer wells shall be constructed and operated in compliance with the Replacement Plan, the well permit obtained from the Colorado Division of Water Resources, and the applicable rules and regulations of the Colorado Division of Water Resources. The costs of the construction, operation, maintenance and repair of each such individual well, and delivery of water therefrom to the residence located on such Lot, shall be at each Lot owner's respective expense. Each Lot owner shall comply with any and all requirements of the Division of Water Resources to geophysically log their well, and shall install and maintain in good working order an accurate totalizing flow meter on the well in order to provide the diversion information necessary for the accounting and administration of the Replacement Plan. It is acknowledged that certain well permits, and individual wells, may be in place on certain of the Lots at the time of sale, and by this Declaration no warranty as to the suitability or utility of such permits or structures is made nor shall be implied.

8.4.2 No party guarantees to the Lot owners the physical availability or the adequacy of water quality from any well to be drilled under the Replacement Plan. The Dawson aquifer which are the subject of the Replacement Plan are considered a nonrenewable water resource and due to anticipated water level declines the useful or economic life of the aquifers' water supply may be less than the 100 years allocated by state statutes or the 300 years of El Paso County water supply requirements, despite current groundwater modeling to the contrary.

Section 8.5 General Water Provisions.

8.5.1 The Lot owners and the District, respectively, shall perform and comply with all terms, conditions, and obligations of the Replacement Plan, and shall further comply with the terms and conditions of this Declaration, and of any well permits issued by the Division of Water Resources pursuant to the Replacement Plan, as well as all applicable statutory and regulatory authority.

8.5.2 Notwithstanding any provisions herein to the contrary, no changes, amendments, alterations, or deletions to this Article 8 of this Declaration may be made which would alter, impair, or in any manner compromise the water supply and/or the Replacement Plan, or the water rights of the Lot owners for the Winsome Subdivision, including the Annexed Property pursuant to Determination No. 1692-BD and the Replacement Plan. Any changes, amendments, alterations must first be approved in writing from the El Paso County Planning and Community Development Department, and as may be appropriate, by the Board of County Commissioners, after review by the County Attorney's Office. Any amendments must be pursuant to the Colorado Ground Water Commission approving such amendment, with prior notice to the El Paso County Planning and Community Development Department for an opportunity for the County to participate in any such determination."

8.5.3 El Paso County may enforce the provisions regarding the Replacement Plan as set forth in this Declaration, should the Lot owners and/or District fail to adequately do so.

8.5.4 This Declaration shall run with the land and shall remain in full force and effect until amended or terminated, in whole or part, by the owners of the entirety of the Community (i.e. all Lot owners and the District), and filed for record with the Clerk and Records of El Paso County. If any of these Covenants are held invalid or become unenforceable, the other Covenants shall not be affected or impaired but shall remain in full force and effect.

8.5.5 Except as expressly mandated by applicable law, and except as limited by express provisions herein, this Declaration and the Plat may be amended only by vote or agreement of at least 67 percent of the Lot Owners. For purposes of this Paragraph, Declarant shall be deemed an owner of each Lot until such time as such Lot(s) are transferred to a third party.

8.5.6 Amendment of Declaration by Declarant. Until such time as Declarant has conveyed any Lots to a third party, any of the provisions, covenants, conditions, restrictions and equitable servitudes contained in this Declaration may be amended or terminated by Declarant by the recordation of a written instrument, executed by Declarant, setting forth such amendment or termination. Declarant reserves the right to unilaterally amend this Declaration in all circumstances permitted by law and which do not conflict with applicable statutes, rules or decrees, including the Replacement Plan. Notwithstanding anything contained within this Declaration, and to the extent

permitted by law, if Declarant determines that any amendments to this Declaration shall be necessary in order for existing or future mortgages or other security instruments to be acceptable applicable authorities, then Declarant shall have and hereby specifically reserves the right and power to make, execute and record any such amendments without obtaining approval of Lot owners or mortgagees (or any percentage thereof).

8.5.7 Each amendment to this Declaration must be recorded in the records of the Clerk and Recorder for El Paso County, Colorado, and the amendment is effective only upon recording.

8.5.8 An amendment to this Declaration is required to be recorded, as set forth herein, by the District, which has been adopted in accordance with this Declaration, must be prepared, executed, recorded, and certified on behalf of the District by an officer of the District designated for that purpose or, in the absence of designation, by the president of the District.

8.5.9 Termination of the Community may be accomplished by unanimous consent of the Lot owners; however, the covenants and restrictions herein regarding compliance with Determination No. 1692-BD and the Replacement Plan shall not terminate unless the requirements of the Replacement Plan are also terminated by order of the Ground Water commission and a change of water supply is approved by the Board of County Commissioners of El Paso County.

4. Signs. With respect to the Annexed Property, Section 7.6.1 of the Declaration is hereby deleted in its entirety and replaced with the following:

7.6.1 Subject to applicable laws and legal requirements, the District or Community Council, if delegated such authority by the District, may from time to time adopt, amend and repeal Rules and Regulations related to posting of signs and flags within the Annexed Property.

5. Renewal Energy Devices. The last sentence of section 4.3 of the Declaration is hereby deleted in its entirety and replaced with the following:

If the Community Council fails to decide any application or request within forty-five (45) days after the complete submission of the plans, specifications, materials and other information with respect thereto, then such application or request for approval shall be deemed to have been denied by the Community Council, except in the case of a request for approval of renewal energy devices which are deemed approved if not denied or returned for modifications within sixty (60) days.

6. Conflict. In the event of any conflict between this Amendment and the Declaration, the terms of this Amendment shall control. Except as specifically modified herein, the terms of the Declaration shall remain unchanged.

IN WITNESS WHEREOF, the Association has executed this Amendment effective as of the date and year above written.
