Section 1. Summary of 2025 Revenues and 2025 Expenditures. That the estimated revenues and expenditures for each fund for fiscal year 2025, as more specifically set forth in the budget attached hereto as Exhibit B and incorporated herein by this reference, are accepted and approved.

Section 2. Adoption of Budget. That the budget as submitted, and if amended, then as amended, and attached hereto as Exhibit B is approved and adopted as the budget of the District for fiscal year 2025. The District's accountant has made a good faith effort and used the best information available at the time of preparation of the budget to provide the District with alternative scenarios, if applicable, showing a proposed budget and mill levies for fiscal year 2025. Due to the significant possibility that the final assessed valuation provided by the El Paso County Assessor's Office differs from the preliminary assessed valuation used in the proposed budget, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation, and/or any applicable revenue caps or limitations, including making any appropriate temporary property tax credit or temporary mill levy reduction, without the need for additional Board authorization.

Section 3. Appropriations. That the amounts set forth as expenditures and balances remaining, as specifically allocated in the budget attached, are hereby appropriated from the revenue of each fund, to each fund, for the purposes stated and no other.

Section 4. Budget Certification. That the budget shall be certified by Joseph DesJardin, Secretary of the District, and made a part of the public records of the District and a certified copy of the approved and adopted budget shall be filed with the Division of Local Government.

Section 5. 2025 Levy of General Property Taxes. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the General Fund for operating expenses is \$509 and that the 2024 valuation for assessment, as certified by the El Paso County Assessor, is \$32,630. That for the purposes of meeting all general operating expenses of the District during the 2025 budget year, there is hereby levied a tax of

15.591 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2025.

Section 6. 2025 Levy of Debt Retirement Expenses. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the Debt Service Fund for debt retirement expense is \$-0- and that the 2024 valuation for assessment, as certified by the El Paso County Assessor, is \$32,630. That for the purposes of meeting all debt retirement expenses of the District during the 2025 budget year, there is hereby levied a tax of 0.000 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2025.

Section 7. 2025 Mill Levy Adjustment. The Board may adjust the mill levy, as specifically set forth in the District's Service Plan (the "Adjusted Mill Levy"). The Board hereby determines in good faith to establish the Adjusted Mill Levy as set forth in the mill levy certification attached hereto as Exhibit C pursuant to the authority granted by its Service Plan to ensure that the District's revenues shall be neither diminished nor enhanced as a result of the changes effecting the mill levy. Subject to adjustment and finalization by the District's accountant in accordance with Section 2 hereof, the Board further authorizes that the Adjusted Mill Levy be reflected in the District's Certification of Tax Levies to be submitted to the Board of County Commissioners of El Paso County on or before December 15, 2024 (or such other date as may be prescribed by law), for collection in 2025.

Section 8. Certification to County Commissioners. That the Board Secretary and/or District's accountant are hereby authorized and directed to immediately certify to the Board of County Commissioners of El Paso County, the mill levy for the District hereinabove determined and set and provide such information as required by Section 39-1-125, C.R.S.
